Early Drop Offs? Our SWAT staff are often involved in preparations until drop off time. We're unable to supervise campers that arrive before the session begins, but invite you to enjoy the grounds.

We request that registrations be completed online. We request that fees be paid in full prior to arrival.

Health Information! Assure that our information about your child's recent illnesses, medications and allergies is up-to-date. All medications must be in original containers or blister packs.

Phone Use! When at camp, permission may be granted to use the pay phone – we recommend phone cards OR collect calls to your land line. Camp now has cell coverage, but we discourage use of cell phones since our goal is to be without technology so that we can build good camp relationships. Camp policy is that cell phones not be taken on SWAT trips.

The Tuck Shop operates on a prepaid account basis, except for river trips. Daily sales are recorded and the remainder given back on the last day. We also sell Bibles, t-shirts, caps, hoodies and crafts. Campers may donate a portion of their tuck monies to help children come to Camp who otherwise would not be able.

Pick-up Policy! (N/A for river trips) When you drop off your child you will receive a wallet sized card with a serial number. The card will be required as you leave. We encourage families to join us for Chapel and BBQ on Friday. We welcome the opportunity to interact with you and to talk about the week of camp.

Coming to Camp! Camp assumes responsibility of camper safety following registration. Please be aware that other children accompanying you are in your care while at camp. Risks include our lakefront, playground, parking lot and wasp nests. While we trust you and other parents, we cannot say that we know everyone well.
