

Special Fund Designations

Camp Sagitawa

Though we do carry on other special funds from time to time, we have chosen to publish a more limited list of designations to help the Board have control of the finances. For example, rather than appoint a fund for a pier and another for the waterslide, we make one fund for Special Projects which includes any that we are working on in that particular year. We notify you what particular things we are working on in newsletters and other paraphernalia.

Our regular funds are as follows...

Building Fund

Maintaining buildings is important, but adding new boards to rotten frames is not wise. There comes a time when rebuilding is important. At Sagitawa, we have hit the point where several of our buildings need to be replaced concurrently. Our need is for \$1.5 million just to get us through the immediate hump. Our list of current goals is available online.

Bursary Fund

Our Bursary is set up to assist students in returning to school. Some staff come for the summer, knowing that they are giving up a possible summer job. We are praying for \$45,000 each year to help these staff to return to school. We can help.

General Fund

The average age of our support base has grown, and as a result we have an increasing need for renewed vision among a younger support base. We are praying for 200 donors to give on a monthly basis with amounts of \$10 to \$100 a month.

Special Projects Fund

Special Projects usually take the form of larger program items. They may be related to new SWAT canoes, or an outdoor basketball court, or a new mountain bike park on our hill. Our list of current goals is available online.

Sponsorships

We accept sponsorship donations to help kids who would otherwise not be able to afford coming to camp. Parents are asked to suggest how much they can afford in their application. Perhaps they will be able to give back to help other kids attend in a future year.

We also invite you to donate to any of our Wish List items. You can link to our current Building goals, Special Projects goals Wish list items online.
